SIMULATION EXAMPLES

(see associated .jpg files)

FL 2.5

Organize the document so that the Circle is in front of the Square.

Method of Completion:

1. Click and drag the circle layer so it is above square layer

FL 3.2

Position the rectangle so that the X position is 0 and the Y position is 260

Method of Completion:

1. Click the rectangle on the stage
2. In the Property Inspector, click in the X Position and type **0**
3. In the Property Inspector, click in the Y Position and type **260**

FL 3.3

Extend the timeline so that the rectangle stays on the screen for 25 frames rather than 20.

Method of Completion:

1. Click on Frame 25
2. Click Insert > Timeline > Frame

FL 3.4

Set the stage color to black (#000000).

Method of Completion:

1. In the Property Inspector, click the color selector for Stage
2. Click Black (#000000)

FL 3.5

Move the existing guide from 50 pixels to 250 pixels.

Method of Completion:

1. Click and drag the guide from 50 to 250 pixels using the ruler as a guide.

FL 4.3

In the square library symbol, change the color of the bottom square to black.

Method of Completion:

1. Double-click square symbol in library
2. Click the inside of the bottom square
3. Click the fill color selector
4. Click black

FL 4.4

Add the text chicken below the logo.

Method of Completion:

1. Click the text tool
2. Click under the logo
3. Type chicken

FL 4.8

Remove the text from the symbol named *Egg&crossbones* in the library.

Method of Completion:

1. Click the library palette
2. Double-Click on the icon for the symbol
3. Click the text
4. Press the delete key

FL 4.12

Import the sound *BadChicken.mp3* to the library.

Method of Completion:

1. Click File > Import > Import To Library
2. Click *badchicken.mp3* from the dialogue box
3. Click OK

FL 4.14

Modify the publish settings of the movie to work in Flash Player 7 or later, but do NOT publish the movie.

Method of Completion:

1. Click File > Publish Settings
2. In the dialogue box, click the Flash Tab
3. Click the drop-down menu for Player and select Flash Player 7
4. Click OK
